Whether it's online, over the phone, or in person, contact me to start a conversation about home, business, umbrella, or life insurance.I have been married for 23 years and have 3 children. I think that this allows me to bring a family-oriented approach to insurance. It's very important to me that families find the coverage that will best protect the people and assets they love.I am a US Navy Veteran and continue to use the discipline I learned during my service. With a strong attention to detail, I want to make sure every policy is done the right way.I currently live in Pine Island, MN, where I am actively involved with the community and high school athletics. When I have some free time outside of work and family, I have been able to enjoy part-time seasonal employment within the farming industry. I am also an active fisherman and gardener, and I love attending classic car shows.Give me a call at (651) 388-2856 and I'll be happy to answer any questions you might have.
